

**PLACER COUNTY
AIR POLLUTION CONTROL DISTRICT**

NOTICE OF PUBLIC HEARING

**PROPOSED RESCISSION OF RULE 514, FEDERAL MAJOR
MODIFICATIONS, AND RULE 517, PERMITTING REQUIREMENTS FOR
STATIONARY SOURCES EMITTING GREENHOUSE GASES**

Placer County Air Pollution Control District proposes to rescind Rule 514, Federal Major Modifications, and Rule 517, Permitting Requirements for Stationary Sources Emitting Greenhouse Gases.

Rule 514 provided requirements for District permitting of Major Modifications. Because these requirements are now addressed elsewhere in District rules as well as in federal permitting guidance, this rule is no longer required. The requirement for Rule 517, with respect to permitting sources of greenhouse gas was removed by a Supreme Court decision, and accordingly this rule is no longer required. The District proposes to rescind these rules.

On Thursday, October 13, 2016, at their regular meeting beginning at 2:30 PM, the Placer County Air Pollution Control District Board of Directors will hold a public hearing to receive comments and consider the rescissions of these rules. The hearing is to be held at the Placer County Board of Supervisors Chambers, 175 Fulweiler Avenue, Auburn, California.

All interested parties are advised of the opportunity to comment on the rule rescissions. The rules to be rescinded and supporting documents can be viewed at the District's office or obtained from the District's website at www.placer.ca.gov/apcd. Written comments should be received by September 23, 2016, and addressed to Mr. Todd Nishikawa at the District office, located at 110 Maple Street, Auburn, CA 95603. The District phone number is (530) 745-2330.
